Gas 8 Cylinder \$185.00

Winter Storage

Includes haul out, block and stand rental, and re-launch in spring. Storage fees are calculated based on overall length and overall beam, (including bow pulpit and swim platforms). All winter storage fees are due at or before haul-out. Any winterization and/or service work is not included with storage fees and is billed separately. Head systems must be pumped out prior to haul out and will be performed automatically if not completed before hand by the owner at owner’s expense.

Full Service Non-Trailerred and Trailerred Boats.....\$2.50/Sq. Ft.

Includes haul-out, pressure washer wash, and re-launch.

Sailboats and non-traditional boat hulls are subject to additional haul out fees based on equipment needed.

Self Service Trailerred Boats..... \$2.25/Sq. Ft.

Does not include haul-out, pressure washer wash, and re-launch. Hull must be pressure washed in order to store in the yard, if the hull is not cleaned, Harbor Centre staff will perform the work at the owner’s expense.
